SUBPOENA WAS SERVED

Deputy United States Marshal Succeeds In Locating

MUCH WANTED MAGNATE.

Notwithstanding He Was Informed That John D. Rockefeller Was Not Upon the Premises, Official Saw Him Seated on Prentiss' Piazza.

Pittsfield, Mass., July 4.—After a search lasting nearly two weeks in which representatives of the United States Marshals of Chicago, Cleveland, New York and Boston have been endeavoring to serve upon John D. Rockefeller, the head of the Standard Oil company, a subpoena issued by Judge Landis of the Federal court of Chicago Mr. Rockefeller was located in this city Wednesday and personal service made upon him by Deputy United States Marshal Charles L. Frink of North Adams. After accepting service Mr. Rockefeller explained that he had not been endeavoring to dodge service, but that he did not know exactly what was wanted of him.

Early in the day Deputy Marshal Frink and James Ruhl, the latter of the Boston office, visited Laconic farm, but Parmelee Prentiss told them his father-in-law was not there. The officers professed to be satisfied with the statement and departed, remarking that they had no search warrant which would permit them to go through the upper house. Deputy Ruhl boarded the train for Boston and Deputy Frink went to his home in North Adams, about twenty-five miles from this city. Later Deputy Frink decided to pay another visit to the farm, and returned to Pittsfield, and secretly drove out there in the afternoon. He proceeded through the wooded driveway into the open space in front of the house and recognized Mr. Rockefeller sitting on the piazza. The deputy passed the subpoena to the oil magnate, explaining at the same time that Mr. Rockefeller's presence in the Federal court at Chicago on July 6 was needed. Mr. Rockefeller accepted service with a smile, shook hands with the deputy and expressed pleasure at meeting him. He invited the officer to sit on the piazza and rest, which invitation was accepted.

Mr. Rockefeller chatted for a few moments, saying that he had not intended to evade the officers, but he did not know exactly what was desired of him. He referred to the newspaper stories that have been printed about him recently, and ridiculed the idea that he had been surrounded by armed guards or that the Laconic farm estate had been equipped with a searchlight. As the officers were leaving the house Mr. Rockefeller again shook hands, saying he was glad to have met them, and added: "If you are ever near my home I hope you will come and call on me."

It is thought Mr. Rockefeller was advised after the morning call of the officers that he had better accept service. It is generally believed that Mr. Rockefeller has been at Laconic farm since last Tuesday night. In reply to questions regarding Mr. Rockefeller's presence at the farm Mr. Prentiss Saturday said Mr. Rockefeller was not there and offered a reward of \$50,000 to any one who could prove that his father-in-law was at Pittsfield.

Deputy Marshal Frink stated that during his conversation with Mr. Rockefeller the latter said that he first came to Pittsfield last Thursday, but went away again on Friday and returned on Saturday, since which time, he said, he had remained at Laconic lodge.

When a party of newspaper reporters went to Laconic lodge Wednesday night for the purpose of interviewing Mr. Rockefeller they were informed by Mr. Prentiss' butler that Mr. Rockefeller had left at 4 o'clock that afternoon for New York. The only train that leaves Pittsfield at that hour is over the New York, New Haven and Hartford railroad, and according to railroad officials at Pittsfield, Lenox Lee and Stockbridge Mr. Rockefeller did not board the train at these points.

United States Marshal Darling of Boston arrived in Pittsfield Wednesday night and went to a hotel, where he remained without registering. Later he was joined by United States Commissioner Arthur H. Wood of Pittsfield, and they were closeted together for an hour or more. It was rumored that Mr. Rockefeller would be allowed to make a deposition here instead of going to Chicago, but Commissioner Wood, when asked about this, said that he had not been called on to take any deposition, and that this could not be done without an order from Judge Landis.

New York Fireworks Dealers Reap a Harvest.

SALES TRULY IMMENSE.

National Birthday Was Also Centennial of Garibaldi, the Italian Patriot, and the Anniversary Fittingly Observed by His Countrymen.

New York, July 4.—Independence day was generally observed here in the usual way. Business generally had been suspended, while the small boy and a good many men made all the noise they could by exploding fireworks. Dealers estimate that New Yorkers purchased nearly \$4,000,000 worth of stuff filled with gunpowder to celebrate the day, in consequence, was noisier than ever. Thousands migrated to the nearby beaches, where New Yorkers generally spend their leisure time.

Tammany Hall celebrated the Fourth with oratory and fireworks. The "long talks" were delivered by Congressman Henry T. Rainey of Illinois and James M. Branson of Colorado. Others who were advertised to speak were Congressman "Ollie" James of Kentucky and Congressmen Sulzer, Goldfogle, Fornes and Gouldin of the Tammany delegation and Senator Thomas F. Grady. Bourke Cockran presided.

It was Garibaldi day in New York as well as the Fourth, for it is the one hundredth anniversary of the birth of the Italian liberator. It was Garibaldi day because down at Clifton, on Staten Island, a great throng of people of Italian birth and descent gathered to dedicate a pantheon to Garibaldi and to glorify his name and deeds on the spot where he lived during parts of three years from 1850 to 1854. The pantheon will enclose the house in which Garibaldi lived, and will contain relics of the patriot.

BOUND FOR SOUTH SEAS.

Chester B. Runyan Is Believed Journeying In That Direction.

New York, July 4.—Chester B. Runyan, defaulting teller of the Windsor Trust company, whose amazing theft of \$96,317 from the bank's vaults was chronicled yesterday, is believed by the detectives at work on the case to be on board of a sailing vessel bound for the South Seas. The officers learned that Runyan talked a great deal of such a trip in search of health, and as not a trace of him has been found they think he arranged with some South street skipper, who sailed Saturday, for passage.

It has been learned that Runyan took with him a large revolver, the property of the trust company. It was used daily by the assistant teller on his visits with large sums of money to the National Bank of Commerce, with which the Windsor Trust company has large dealings. From this it is assumed that the fugitive had it in mind to kill himself if he were captured in getting away with his plunder.

That the sum total of Runyan's stealings will approximate a larger sum than that announced is denied by all the bank officers. They positively declared the present case will in no way resemble the Trust Company of America theft, which grew from \$50,000 to \$650,000.

George W. Young, one of the active members of the directorate, asserted that the thorough examination made of all the records of the trust company has not revealed a penny shortage.

NEARLY LEFT BABY.

Iowa Man and Wife Discovered Mistake In Time.

New York, July 4.—Henrick Van Sleck of Paoli, Ia., and his wife almost left for Europe on the steamship Nieuw Amsterdam without their baby. They had forgotten the infant and had left it at the hotel where they had stopped overnight. The baby was not missed until just as the gangplank was about to be hauled in. Luckily, the hotel was close by, and the officers of the ship agreed to delay the sailing of the ship for the ten minutes it took to fetch the infant, which had been asleep when the couple departed hastily to catch the steamer.

Death of Noted Stallion.

Lexington, Ky., July 4.—News of the death of Letcher, (2:18 3-4), owned by M. J. Murphy of Paris, was made public. The stallion was nineteen years old, and one of the last sons of Director. He was bred by W. R. Letcher of Richmond. He was the sire of Neddie Conner, trial 2:09.

BRYAN, TEXAS, JULY 5, 1907

FOURTH OF JULY CELEBRATIONS.

Pin Oak Pond, Bowman's Slough and
Old Fish Pond—Jim Dunn's Barbecue
Will Be July the 24th—
Bailey Will Speak.

The Fourth of July was without incident in Bryan beyond the closing of the postoffice and banks. Crowds gathered for the day, however, at Pin Oak Pond, Bowman's Slough and the old fish pond below College and had fine dinners and a general good time.

The Pin Oak pond celebration attracted three or four hundred people and a fine barbecue dinner, public speaking and a shoot were the principal features. Ralph Dunn made the best individual score, breaking 24 out of 25 blue rocks.

Hon. W. C. Davis made an address appropriate to the occasion, dealing with the national holiday and the part played by the South in the achievement of American independence, and urged more interest in the observance of the national and state holidays generally. He also enlarged upon the educational and industrial development of the South.

President O. C. Charlton of the Texas Woman's College, was present and made announcement regarding the school and the fact that he is now traveling over the country meeting the people and expects to call upon them personally.

Mr. Jas. B. Dunn was present talking up the big barbecue in his pasture, and a letter having been received from Senator Bailey that he could not attend on July 25, definite announcement was made by Mr. Dunn yesterday that the barbecue will be held on Wednesday, July 24. Bryan, Franklin, Hearne, Calvert and other towns are contributing liberally to the affair, and preparations are being made to feed 8000 people. Other prominent democrats are expected to be present and it is intended to widely advertise the barbecue and make it the largest ever held in this section of the state.

Owing to the fact that Senator Bailey is now filling so many speaking engagements, he has restricted them to one speech a day, and accordingly will not speak in Bryan at night, as has been heretofore announced.

BRYAN WINS FIRST GAME.

Defeated the Franklin Team Yesterday
Afternoon by a Score of 8 to 3—
About Two Hundred Present.

The Bryan base ball team scored a victory in the first game since organization, played yesterday afternoon at the Allen Academy athletic grounds with the Franklin team. The score was 8 to 3 in favor of Bryan, and all things considered a fairly good game was played, the feature of which was the pitching of McDonald for Bryan, who struck out thirteen.

The grand stand was filled and overflowed, there being probably two hundred present. The gate receipts amounted to \$40.00. The majority of the business houses closed at 4:30 to give opportunity for attending the game and the attendance would no doubt have been larger if numbers had not been out of town attending the picnics. The Franklin pitcher got sick during the game and a substitute was put in his place.

The opposing teams were as follows:

Bryan	Franklin
Mawhinney.....1b.....	Sharp
Gordon.....2b.....	Wilson
Wetter.....3b.....	Smith
Tabor.....ss.....	Carpenter
Hawes.....rf.....	Smith
Boyet.....lf.....	Mahon
Howard.....cf.....	Stevenson
McDonald.....p.....	Arnett
Hearne.....c.....	Hawkins

Bryan substitutes—Foreman, Houston, Locke and Banks.

The next games will be on the afternoons of Monday, Tuesday and Wednesday with the Caldwell teams, and the Eagle hopes they will be well patronized. The boys are starting off the season with a victory and we hope they will be able to hold their own with all comers.

"I AM FROM TEXAS—TALK TO ME."

Houston, July 4.—Mr. C. A. Beasley, President of the American Bank & Trust Company of this city, gave out an interview today in which he told of the enormous demand for the new Texas Five Million Club medallions, bearing the words "I'm from Texas—Talk to Me," on the occasion of the recent bankers' excursion through the east.

"Nothing pleased us so much on the entire trip," said Mr. Beasley, "as the evidences along the route that Texas was known and admired by all. The people in the east seem to be getting a better understanding of just what our great southwestern empire has to offer the prospective immigrant, and it would not surprise me to see a great influx of people into the state within the next year or so."

"I find that the Texas Five Million Club literature has penetrated pretty thoroughly most sections of the east. The people are reading 'Texas From A to Z' with great avidity, and clamoring for more. We found many Texans in the east, most of them on their annual vacation, and the sight of the little medallions caused the blood to flow quicker through their veins, and they were not satisfied until we had disposed of all the ornaments we had. The red, white and blue buttons also went in a hurry."

Mr. Beasley is of the opinion that if Texans get to work in earnest, the Jamestown Exposition won't be a circumstance beside what Texas will have in the way of a fair in 1911.

To Stop Piles Try This.

Piles get instant relief, when Dr. Shoop's Magic Ointment is applied. It's a Pile Cure, remember, and it is good for nothing else whatever except piles. General Ointments, for many uses, can't possibly cure piles. A pile ointment must be specific. Every aim of its maker must be directed specifically toward piles alone. Says Dr. Shoop, "I make three valuable ointments, and yet, one only—Dr. Shoop's Magic Ointment—will bring help to pile sufferers". Even then, in old chronic cases, originating because of a torpid Liver, with biliousness, I prescribe my Dr. Shoop's Restorative internally while using Magic Ointment locally or externally. Keep in mind this fact, please, that the large blood vessels of the liver originate in the walls of the rectum, where piles arise. Obstruct these vessels in the liver and piles instantly appear. Dr. Shoop's Restorative corrects stomach and liver sluggishness, hence its value as an aid to Magic Ointment in the treatment of obstinate cases of piles. None genuine without Dr. Shoop's name on the package. Sold at 75 cents by

NO FRIEND OF NEGRO.

Bishop Turner So Declares at Annual Conference.

Boston, July 4.—At the African Methodist conference Bishop Henry M. Turner of Philadelphia said: "The United States is no friend of the colored man. Everything that is written and published about our race in the popular magazines is, in the main, willful falsehood. Every white man who is destitute of ability, yet either wants an office or a little notoriety has to go harping and babbling about the negro and his inferiority, like Vardaman, Tillman and a number of others I could mention, mere human asses, braying against God and nature. I will give Senator Tillman \$1,000 to make a speech and leave the negro out that can be called a speech."

FEARED BURIAL ALIVE.

Wellington Made Brother Promise to Make Every Death Test.

New York, July 4.—James Green Wellington of Corning, N. Y., died suddenly of heart disease at Avon, N. J. He was seventy-six years old. He had a horror of being buried alive, and several years ago made his brother, Dr. James F. Wellington, promise to use every known test upon his body before giving his consent to burial.

The doctor promised, if he survived, to carry out Mr. Wellington's wishes. So the body was carried in and placed on the bed beside Dr. Wellington, who is now bedridden, and who for fourteen years has been an invalid. The examination of the body was painstaking. Not until Dr. Wellington was absolutely assured of death after half an hour expended in the closest scrutiny did he give consent to turn the body over to the undertaker.

For many years Mr. Wellington was engaged in the banking business at Corning. He served as mayor and treasurer of the town.

FATAL STRAIN.

Just Before End Beck Said: "I Am Going to Die Game."

Chicago, July 4.—A special to the Record-Herald from Detroit says: As a result of a strain in a baseball game last Friday, which broke his vermiform appendix, F. B. Beck, traveling passenger agent for the Chicago and Alton railway, and until recently a resident of Chicago, died at Grace hospital twenty-four hours after an operation.

Mr. Beck was twenty-seven years old, and lost his wife by death last September. When told at noon Wednesday that he could not live an hour he gripped the hand of his father, who was at the bedside, and said: "I am going to die game." He continued a cheerful conversation until within one minute of his death.

SHOOTS LOVER AND SELF.

Four Bullets Hit Him While He Slept and Slight Chance For Both.

New York, July 4.—Embittered by the belief that he had jilted her, Mary Belsi, a young Hungarian girl, went to the home of Harry Stern, in East One Hundred and Seventeenth street, and shot him four times while he lay sleeping in bed. The girl then shot herself in the left breast. Both were taken to the hospital, where it was said they had slight chances for recovery. A year ago the girl brought suit for breach of promise against Stern.

CHEWING GUM PROHIBITED.

Ocean Grove Authorities Forbid the Sale of This Article.

New York, July 4.—Ocean Grove, N. J., now prohibits the sale of chewing gum within the city limits. The ban on chewing gum has just come to light through the action of Dr. A. R. Ballard, head of the campmeeting association, in restraining its sale at the news stand just opened in the old Well house. There has been a ban on tobacco at Ocean Grove, but chewing gum has always been sold there until now.

Mother's Plea Prevailed.

Atlanta, July 4.—Henry H. Vaughan of Dallas, Tex., after serving one year in the Federal prison on a charge of perjury in bankruptcy proceedings, was released on a commutation of sentence by President Roosevelt. He was sent up for two years, and his release was secured through the efforts of his father, whose plea was that his health was such that he could not long survive.

Arrests Made.

El Paso, July 4.—Warrants of arrest were sworn out at Douglas, Ariz., against Antonio Maza, Mexican consul; Harry Shropshire, constable; J. F. Dowdle, guard; Sam Hayhurst, a ranger, and Lee Thompson, a policeman. They are charged with kidnapping Manuel Sarabia from the Douglas jail Sunday night and taking him to Mexico. Reports received here state that all were arrested and admitted to bail.

No Date Announced.

Guthrie, July 4.—The date of the Republican state convention to be held at Tulsa July 12, was postponed by J. L. Hamon, chairman of the territorial executive committee.

Hamilton Raises Bonus.

Hamilton, Tex., July 4.—This place has raised the required \$20,000 bonus to secure the Waco, Hamilton and Brownwood railway.

Negro Boy Drowns.

Waco, July 4.—Emanuel Kneeland, a little deaf and dumb negro boy, fell into the Brazos river and drowned.

DIAZ INVITED.

He Is Asked to Be Guest of the San Antonio Fair.

City of Mexico, July 4.—The San Antonio fair committee was received by President Diaz Wednesday. The audience was arranged through the department of public works.

The president received the committee in his private office. Colonel Otto Warhmd, W. H. Sims, J. M. Vance, James J. Slayden, N. M. Betaslucue and Theodore Harrison constituted the committee.

The audience served a double purpose. The fair committee prevailed upon President Diaz to attend the next annual fair this fall, and Mr. Harrison, as president of the International club of San Antonio, informing the president of his election as an honorary member with President Roosevelt of the club.

WAR WITH JAPAN.

Rear Admiral Thompson Predicts Uncle Sam and Mikado Will Clash.

Seattle, Wash., July 4.—A special to the Post-Intelligencer from North Yakima says: Rear Admiral J. W. Thompson, United States navy, who has arrived here for a short stay, predicts a war with Japan in five years.

Admiral Thompson says that war is inevitable, but he does not believe that Great Britain will assist her ally in such a struggle, and thinks that while the Philippines may be the real outset of the war, in the end the resources of the United States must result in defeat for the Japanese. He believes that in the event of hostilities France would give financial aid to Japan.

BITTEN BY MAD SKUNK.

Animal Fastens Its Teeth in Foot of a Sleeping Man.

San Angelo, Tex., July 4.—John Sheen of Irion county has gone to the Pasteur institute at Austin for treatment. He was camping on Dove creek and while asleep a skunk came upon him and fastened itself on his foot. He kicked the animal loose and discovered that it was acting mad. He decided to take no chances, and went at once to the institute for treatment.

Pioneer Resident Dead.

Oklahoma City, July 4.—Henry Fritch, one of this city's first settlers, is dead.

Business Ceases.

Dallas, July 4.—All leading business establishments closed in honor of the Fourth.

Weak Women

To weak and ailing women, there is at least one way to feel better. But what way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments. The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, cases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The kidneys, like the heart, and the stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is cloudy, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell
